

The Outwood Academy Lecture series is an exciting Academy initiative designed to engage students and their families by providing a range of inspirational lectures demonstrations and workshops from professionals, who want to share their passion and experiences with others. The sessions last from 60 to 90 minutes and are completely free of charge to attend. Most lectures will take place in the West hall unless otherwise stated.

Places are limited to 150 for the West Hall and are allocated on a first come first served basis. Smaller venues will hold much less.

If you wish to deliver a lecture, or present a practical demonstration or workshop, please do not hesitate to contact Mr.A Murray, Associate Assistant Principal.

The Outwood Academy Adwick Lecture Series

Forthcoming Flying High Talent Spotting Events open to all Academy students

The Flying High Talent Spotting Events are open to all students who have a passion or skill within a curriculum area and want to develop these further.

If you feel you have a particular gift, talent, interest or passion, then pop along to an event. You never know, this might lead to you becoming the next X factor or Britain's Got Talent winner, or an Olympic 2016 medal winning gymnast or the next Henry Moore!

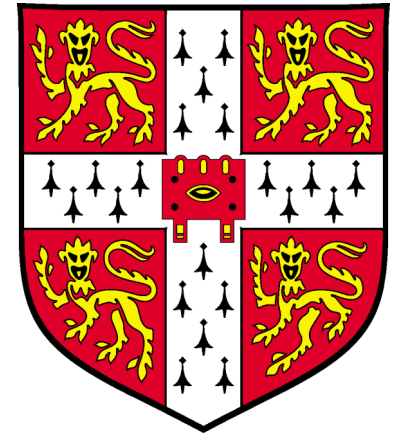

Date	Subject and	Event	Staff Lead
Mon 7th Nov	PE East Gyms	PE Taster activities. Experience a range of activities from football to trampoline and see if you have a hidden talent there!	Miss Campbell
Weds 9th Nov	Business and ICT	A taster session on how to use the Mac technology. Produce your own piece of multimedia work using a professional package.	Mr Peet
Weds 16th Nov	Humanities Humanities cor- ridor	Take a look at how warfare is represented through the media; how man-kind interacts with his environment and how the human mind works!	Mrs Robson
Thurs 17th Nov 3:30-4:30	Academy De- bating Club West Hall	The inaugural debate of the OAA debating Club. The motion is "This house agrees that war can NEVER be justified." Are you good at putting forward your point of view? Fancy doing it in from to an audience?	Mr Westmoreland
Mon 21st Nov	Art AR2	Drawing out your talent. Are you good at sketching? Do want to develop your sketching skills further? Then pop along!	Miss Howcroft
Weds 23rd Nov	Performing Arts Media Hall	Academy Glee Club . Could you be a future West End stage star? Are you a potential X factor or Britain's Got talent winner but need to perfect your technique? Then this is for you.	Miss Kitchen
Mon 5th Dec	Technology Technology	Robot Wars! Design and build your own robot and compete against others.	Mr Barnston
Weds 7th Dec	Science Science Block	CSI. Fancy solving a modern day who done it by studying the latest CSI and scenes of crimes techniques? Or simply do you love science? Either way, pop along!	Mr Sharma

All staff within the Academy believe EVERY student has the right to continue their education beyond the Academy if they so wish. Crucial to this is making the right choices about the courses of study and the institutions of study.

The Academy Flying High initiative is planning a series of university taster days for students from Years 8-12 who are thinking that university could be for them once they have finished their studies at the Academy.

Universities that will be visited include: Oxford, Cambridge, York St John and Sheffield. There will be others also. Visits will take place in the Spring and Summer terms in 2012. Dates to be confirmed.

The visits will be cost free to students. If your child would like to register an interest to visit one or more of these universities then they should speak to Mr Murray at the Academy.
