

# ICT OCR Level 3 Certificate

## Information Communication Technology

### Student representative

Jodie Moore

I am really enjoying ICT this year, the units have been interesting and I have developed a range of ICT skills already. I am looking forward to working on the other 4 units especially working on the apple macs. The teaching has really helped me throughout this course and I have felt supported at all times.

**Exam Board:** OCR

**Duration:** 1 Year

**What is it worth?** 1 A Level

**Why take this course? Who is it for?**

OCR level 3 National Certificate is a progression route for those students who have achieved the level 2 national certificate at grade merit or distinction

**What does this course involve?**

In this course you will cover some exciting units including 4 mandatory units and 2 optional units:

Collaborative learning, digital business communication, problem solving, creating a digital showcase, video, internet

**What possible progression routes are available after taking this course?**

The OCR Nationals suite of qualifications provides candidates with high quality, industry-relevant qualifications geared to the specific requirements of key sectors. They are vocationally-related qualifications that provide valuable opportunities for individuals to develop skills and gain underpinning knowledge and understanding which will support entry into work or progression to further studies through Further Education or Higher Education. The OCR Nationals are attractive, practically-based qualifications intended to stimulate and interest candidates.

**What are the special features?**

You can choose the topic areas for each piece of coursework with your teacher this gives you total ownership of your work and you can choose topics that suit you.

**What possible careers follow on from this course?**

ICT fits in across most careers but if you wish to specialise in an IT career you may want to consider some of the following examples: network manager, systems analyst, help desk operator, technical support officer, programmer, web designer, graphic designer, software engineer.

**How you will be assessed?**

All coursework is internally assessed and externally moderated.

**Who do I see for further information?**

Mrs Gray, Mrs Motson, Mr Chapman

**Current Results**

**100% A\*-E**
