Dear Anne,

Thank you so much for supporting our global citizenship project, "Take the Step. Be the Change."

Your very generous donation of £1,549.69 will go to the Nelson Mandela Children's Hospital - and in particular the building and equipping of a resuscitation area to stabilise the most critically ill children on arrival at the hospital.

Our mission is to "Change the way society treats its children"- to improve not only the quality of their lives now, but to ensure that they have a healthy and fulfilling future. In the words of our Founder:

*"If enough people are touched and imbued with a spirit of caring, we could change the whole landscape of how children are treated. It is my deepest conviction that children should be seen and heard as our most treasured assets. They are not ours to be used and abused, but to be loved and nurtured to engage life to the full extent of their being, free from fear."*

*Nelson R. Mandela*

With renewed thanks to all your student leaders and everyone at Outwood Academy and we look forward to hopefully working with you again next year.

Best wishes,
