

Sports Leadership

Physical Education

Exam Board: None

Duration: 1 Year

What is it worth? Enrichment Option

Why take this course? Who is it for?

This course is for any student who is interested in the sport and leisure industry. Any student can access this course no matter what their skill level in sport is. This course is ideal for students who would like to coach sports at all levels. The course will have a high level of practical sessions which require the students to participate. Students will be taught how to lead skill sessions in various sports and how to organise sporting events such as intra school competitions and inter school competitions

What does this course involve?

In this course students will be able to gain several nationally recognised sports leadership qualifications such as the level one sports leaders award. These courses will give students the experience and confidence to organise sports within schools and at their local sports clubs.

What possible progression routes are available after taking this course?

This course leads onto the Level two sports leader award. It will enable students to progress into the sports and leisure industry such as leisure centre assistant.

What are the special features?

This course will be practically based which will allow students to gain several nationally recognised coaching and refereeing qualifications.

What possible careers follow on from this course?

Sports coach, leisure centre assistant, PE teacher, PE instructors in the services.

How you will be assessed?

You won't, this is an enrichment option.

Who do I see for further information?

Mrs Robson
